

WEST Search History for Application 10816571

Creation Date: 2008051316:54

Query	DB	Op.	Plur.	Thes.	Date
benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyldimethylammonium chloride or alkyl dimethyl ethylbenzylammonium chloride or n\$1alkyldimethylbenzylammonium chloride or diisobutylphenoxyethoxyethyl dimethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecyldimethylammonium chloride or dioctyldimethylammonium chloride or dialkyldimethylammonium chlorde or dialkylmethylbenzylammonium chloride or octyldecyldimethylammonium chloride or lauryldimethylbenzylammonium chloride or o benzyl p chlorophenol or dideryldimethylammonium chloride or dioctyldimethylammonium chloride or dimethylbenzylammonium chloride	PGPB, USPT	ADJ			05-13-2008
isopropyl	PGPB, USPT	ADJ			05-13-2008
(benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyldimethylammonium chloride or alkyl dimethyl ethylbenzylammonium chloride or n\$1alkyldimethylbenzylammonium chloride or diisobutylphenoxyethoxyethyl dimethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecyldimethylammonium chloride or dioctyldimethylammonium chloride or dialkyldimethylammonium chlorde or dialkylmethylbenzylammonium chloride or octyldecyldimethylammonium chloride or lauryldimethylbenzylammonium chloride or o benzyl p chlorophenol or dideryldimethylammonium chloride or dioctyldimethylammonium chloride or dimethylbenzylammonium chloride) and (isopropyl)	PGPB, USPT	ADJ			05-13-2008
lesion or sore or pox or pustule	PGPB, USPT	ADJ			05-13-2008
(benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyldimethylammonium chloride or alkyl dimethyl ethylbenzylammonium chloride or n\$1alkyldimethylbenzylammonium chloride or	PGPB, USPT	ADJ			05-13-2008

diisobutylphenoxyethoxyethyl dimethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecyl dimethylammonium chloride or dioctyl dimethylammonium chloride or dialkyl dimethylammonium chloride or dialkyl methylbenzylammonium chloride or octyldecyl dimethylammonium chloride or lauryl dimethylbenzylammonium chloride or o benzyl p chlorophenol or dideryl dimethylammonium chloride or dioctyl dimethylammonium chloride or dimethylbenzylammonium chloride and isopropyl) and (lesion or sore or pox or pustule)					
smallpox	PGPB, USPT	ADJ			05-13-2008
(benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyl dimethylammonium chloride or alkyl dimethyl ethylbenzylammonium chloride or n\$1 alkyl dimethylbenzylammonium chloride or diisobutylphenoxyethoxyethyl dimethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecyl dimethylammonium chloride or dioctyl dimethylammonium chloride or dialkyl dimethylammonium chloride or dialkyl methylbenzylammonium chloride or octyldecyl dimethylammonium chloride or lauryl dimethylbenzylammonium chloride or o benzyl p chlorophenol or dideryl dimethylammonium chloride or dioctyl dimethylammonium chloride or dimethylbenzylammonium chloride and isopropyl and lesion or sore or pox or pustule) and (smallpox)	PGPB, USPT	ADJ			05-13-2008
